Gamer's Dream

Zebronics, founded in 1997 - Chennai, is India's largest IT peripheral brand and one of the fastest growing consumer electronics brand with **25+ product categories** in its spectrum.

Stimulating trust through multiple offices pan India and serving at **145+ Zeb Care** (Service Centres) across India, Zebronics is a first choice brand in IT Peripherals and soon becoming a household name in Multimedia Speakers and Consumer electronics. The brand has a Strong foothold with an enormous network channel partners.

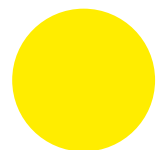

Zebronics is widely popular for it's **EQR Mantra** (Excellence, Quality & Reliability) offering a product line symbolized for its value for money characteristics backed by great product design and performance. This has helped us in winning **110+ major industry awards** from 2012-2025.

In a short span of time we have introduced a strong line-up of Security cameras, CCTV cables, Recorders, Power Supply, Network switches, Home automation and plan to diversify the portfolio with other safety and security product sectors.

Our vision is to provide much better safety and security environment for the people of India, and evolve as a leading brand in surveillance vertical with the help of our channel partners.

# ABOUT US

# BRAND AMBASSADOR

Being an actor comes with diverse roles to play, You need to balance it all out. Which means that you have to be multifarious. And when it comes to technology, it's important to have gadgets, that goes with your eclectic life and values your lifestyle. Gadgets should complement not complicate your way of life. That's why I have trusted Zebronics for so many years.

Today, Zebronics has become a household name in Indian homes. The brand has not only excelled in terms of quality, but the range it provides is also incredible. Their years of expertise in this field, make the products distinctive in the market.

I am extremely proud to be a part of their extraordinary journey.  
"Zebronics, Always Ahead"
