About Us

Zebronics, founded in 1997 is India's largest IT Peripheral & Consumer Electronics brand with **25+ product categories** in its spectrum.

Stimulating trust through multiple offices and serving at **135+ Zeb Care** (service centers) across India, Zebronics is a first choice brand in IT Peripherals and soon becoming a household name in Multimedia Speakers and Consumer electronics. The brand has a strong foothold with an enormous network channel partners.

Zebronics is widely popular for its **EQR Mantra (excellence, quality, reliability)** offering a product line symbolized for its value for money characteristics backed by great product design and performance. This has helped us in winning **100+ major industry awards from 2010 - 2025**

Zebronics believes in developing products that are great on technology and design yet easy on the pocket making it a value for money product that every household can afford. Apart from making a superior quality product, it has umpteen options to choose from an extensive range of offering in the line of IT & gaming peripherals, sound systems, mobile/lifestyle accessories and surveillance.

With a firm belief in the ideology of '**Always Ahead**' the brand has slowly evolved itself over the years with a diverse range of products. Zebronics is committed and working hard to deliver innovative solutions, building the framework for sustainable growth, going forward and staying "**Always Ahead**".

Brand Ambassador

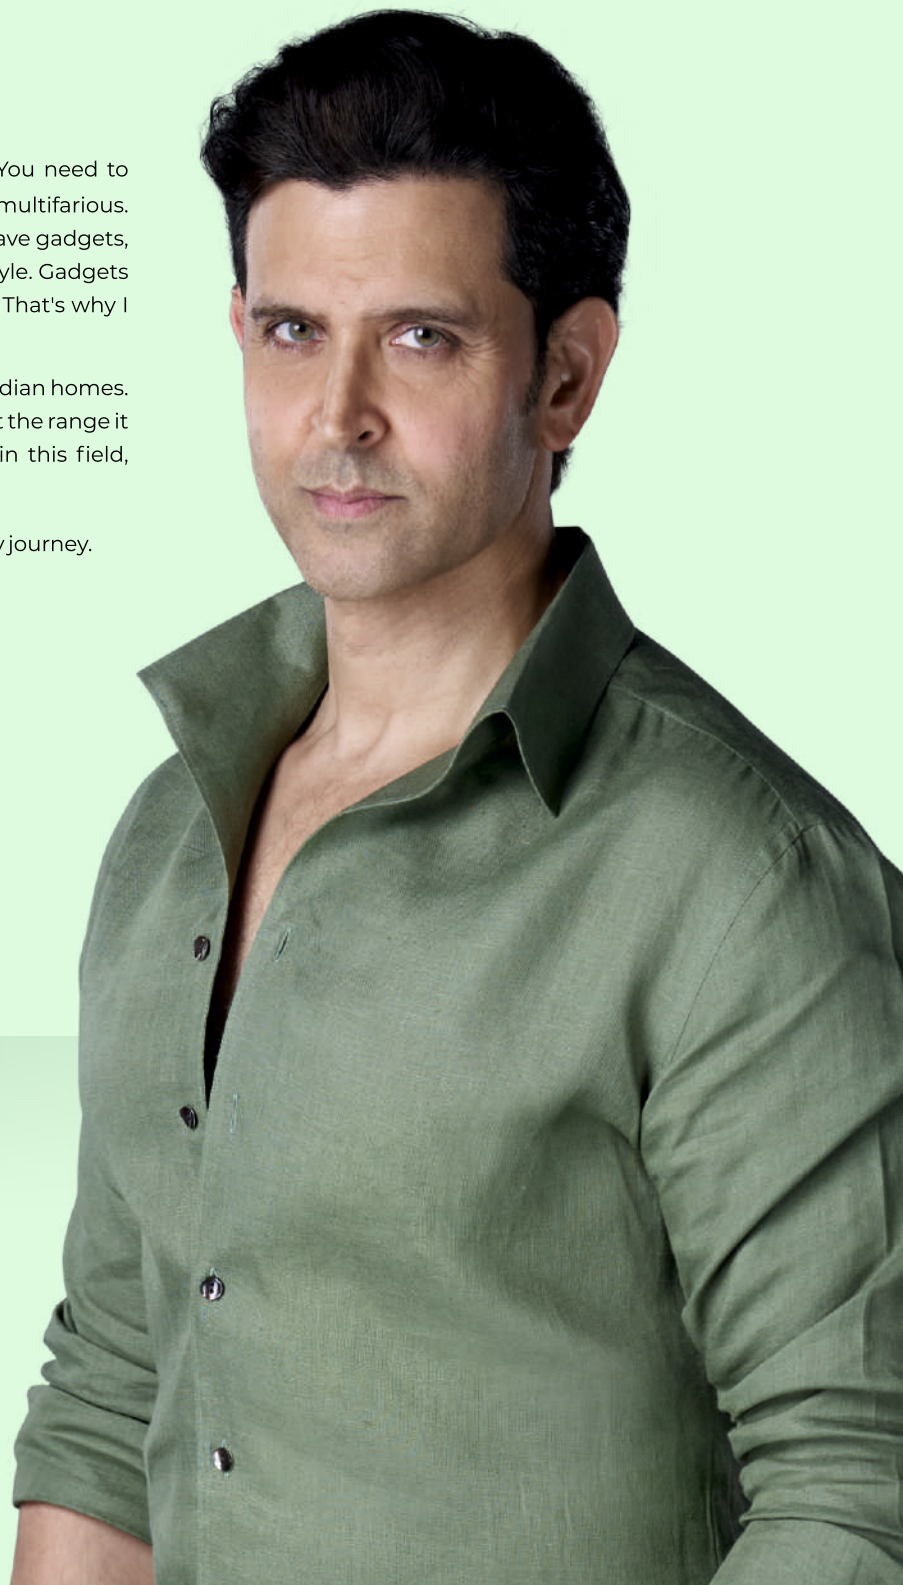

HRITHIK ROSHAN

Being an actor comes with diverse roles to play, You need to balance it all out. Which means that you have to be multifarious. And when it comes to technology, it's important to have gadgets, that goes with your eclectic life and values your lifestyle. Gadgets should complement not complicate your way of life. That's why I have trusted Zebronics for so many years.

Today, Zebronics has become a household name in Indian homes. The brand has not only excelled in terms of quality, but the range it provides is also incredible. Their years of expertise in this field, make the products distinctive in the market.

I am extremely proud to be a part of their extraordinary journey.
