1. Wireless Charging Pad
2. LED Indicator
3. Type-C port
4. Swivel base
5. Twist to Lock & Unlock
6. Suction Cup with adhesive glue base

Instruction to Use:

Installation Steps:

- **Surface Setup:** Use the included wipes to clean the surface before placing.
- **Lock & Unlock:** Place the holder on a smooth surface and rotate the knob towards "🔒" to secure & towards "🔓" to release.

Note:

- *For smartphones with built-in magnetic charging support, place the device directly on the charging pad. For smartphones without built-in magnetic support, use the provided metal ring.*
- *When using the metal ring, ensure that the smartphone is properly aligned and positioned on the wireless charging pad for efficient charging.*

Charging Instructions:

- Connect a charging adaptor with max output of 42W with the provided cable.
- Place your Smartphone on the Wireless Charging pad.(As shown below).

LED Indications:

- When a smartphone with wireless charging support is placed on the charging pad, the blue breathing LED will glow for 60 seconds and then turns off.
- The blue LED indicator will flash continuously when a foreign object is detected.
