Product Representation

General Instruction :

Button Controls :

- Long press "MFB or Power button" to On/Off
- Single press "+" button: Increase Volume
- Single press "-" button: Decrease Volume
- Single press "Play/Pause button" to Answer/Hang up the phone call
- Long press "+" button for Next Track
- Long press "-" button for Previous Track
- Long press "Play/Pause" until you hear a single beep to activate Voice Assistant function
- Double press the "MFB" to switch between the Gaming/Music mode
- Double press the "Play/Pause" to switch the EQ mode.

Bluetooth Mode :

- The headphone enters BT mode as soon as it is powered ON. (Refer LED indication and make sure aux is not connected already)
- Now search for nearby BT devices in your audio source device.
- Tap on the BT name "**ZEB-DUKE 2 PRO**" to pair.

Dual Pairing Mode :

- Pair the headphone with one device and do not unpair, now turn off the BT on the first device and pair the headphone with the second device.
- Now you can turn on the first device and the headphone will automatically pair with the first device (if your device is compatible) else tap on **ZEB-DUKE 2 PRO** in the BT settings on your first device.

AUX Mode :

- Connect one end of the 3.5mm aux cable to the headphone and connect the other end to any compatible audio source device. (Example: Mobile, Tablet, Laptop, Desktop Computer, etc)
- Media controls can be done via the audio source device. (Make sure to power on the headphone to use BT mode after removing the aux cable)

Gaming Mode (Low Latency):

- Double press the MFB button to enable gaming mode and repeat the process to enter into music mode.

Voice Assistant Support:

- When the headphone is connected with a smart phone, long press the Play/Pause button for 2 seconds to activate the phones voice assistant function.

EQ Modes:

Double press Play/Pause button to switch between 3 EQ modes.

LED Indication:

- Charging- Constant Red LED glows
- Full Charge - Red LED goes OFF
- Bluetooth Discover Mode - Blue and Red LED blinks rapidly
