- Long press "Play/Pause" button to Reject the call.
- Single press "**MFB**" button to switch between ANC and Transparency mode.

Bluetooth Mode:

- The headphone enters BT mode as soon as it is powered ON. (Refer LED indication and make sure AUX is not connected already)
- Now search for nearby BT devices in your audio source device.
- Tap on the BT name "**Zeb-Silencio 100**" to pair.

Gaming Mode (Low Latency):

- Double press the **Play/Pause** to enable gaming mode and repeat the process to enter into music mode.

Dual Pairing Mode:

- Pair the headphone with one device and do not unpair, now turn off the BT on the first device and pair the headphone with the second device.
- Now you can turn on the first device and the headphone will automatically pair with the first device (if your device is compatible), else tap on **Zeb-Silencio 100** in the BT settings on your first device.

Voice Assistant Support:

- When the headphone is connected with a smart phone, Triple press the Play/Pause button for 2 seconds to activate the phone's voice assistant function.

AUX Mode:

- Connect one end of the 3.5mm AUX cable to the headphone and connect the other end to any compatible audio source (Example: Mobile, Tablet, Laptop or Desktop Computer, etc).
- Media controls can be done via the audio source device.(Make sure to power on the headphone to use BT mode after removing the AUX cable)

LED Indication:

- Charging - Constant Red LED glows
- Full Charge - Red LED goes OFF
- Bluetooth Discover Mode - Blue and Red LED blinks rapidly
- Bluetooth Connected - Constant Blue LED, then LED goes off
