General Instruction :

Button Controls :
- Long press Power button to On/Off
- Single press "+" button: Increase Volume
- Single press "-" button: Decrease Volume
- Single press MFB to Answer/Hang up the phone call
- Long press "+" button for Next Track
- Long press "-" button for Previous Track
- Single press MFB to Play/Pause the music tracks.
- Long press MFB to reject the incoming call.
- Double press the "Power Button" to Switch between Gaming/Music Mode.
- Double press MFB button to switch between EQ modes (Sound Monster Mode, Vocal Enhance Mode, Equalizer Mode).

Bluetooth Mode :
- The headphone enters BT mode as soon as it is powered ON. (Refer LED indication and make sure aux is not connected already)
- Now search for nearby BT devices in your audio source device.
- Tap on the BT name "**ZEB-Thunder 200**" to pair.

Dual Pairing Mode :

- Pair the headphone with one device and do not unpair, now turn off the BT on the first device and pair the headphone with the second device.

- Now you can turn on the first device and the headphone will automatically pair with the first device (if your device is compatible) else tap on "**ZEB-Thunder 200"** in the BT settings on your first device.

AUX Mode :

- Connect one end of the 3.5mm aux cable to the headphone and connect the other end to any compatible audio source device. (Example: Mobile, Tablet, Laptop, Desktop Computer, etc)

- Media controls can be done via the audio source device. (Make sure to power on the headphone to use BT mode after removing the aux cable)

Gaming Mode (Low Latency) :

- Double press the "Power Button" to enable gaming mode and repeat the process to enter into music mode.

LED Indication :
- Charging- Constant Red LED glows
- Full Charge - Red LED goes OFF
- Bluetooth Discover Mode - Red & Blue LED blinks rapidly
- Bluetooth Connected - LED goes off
