7. Microphone

Charging instruction:

Connect micro USB cable to the charging port of the headphones & connect the other end of the cable to a 5V DC adapter.

LED indication:

Charging Indication: RED LED glowing continuously.

Full Charge Indication: RED LED turns BLUE.

BT Discover Mode: Red & Blue LED blinks simultaneously.

When connected to a phone: Blue LED will blink once in an interval of 5 secs.

Usage instruction:

Bluetooth pairing instruction:

Step 1 - Switch ON the headphone and it will go into BT mode.

Step 2 - Switch on Bluetooth on your phone & search for the BT name "**ZEB-DUKE 1**".

Step 3 - Once the BT name is shown in the phone, tap to connect it.

AUX Function

Connect a 3.5mm AUX cable to the AUX port of the headphone and it will switch into AUX mode. Connect the other end of that cable to any PC/Laptop and thereafter audio can be streamed through the headphone.

Activating voice assistant

When the headphone is connected to a smart phone, long press the Power button for 2 secs to wake up the voice assistant.

NOTE: *Smartphone must have an active internet connection in order to use the Voice assistant feature effectively.*
