MFB (Multi functional Button)

LED Indicator
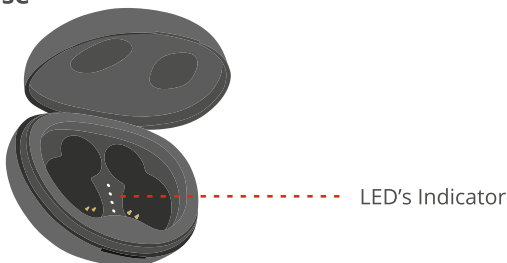

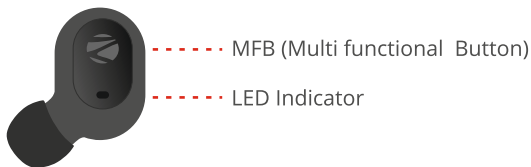

During Music Playback:

Tap the MFB once on either Left/Right side earbud to Play/Pause the Track.
Double Tap the MFB to skip to prev track on left side earbud and next track on right side earbud.

During Calls:

Single Tap the MFB on either Left/Right side of the earbud once to attend an Incoming call / end the call.
Tap and hold the MFB on either Left/Right side of the earbud for 2secs to reject an Incoming call.

Usage Instruction:
Bluetooth Pairing Instructions:
Step 1: The earbuds will turn On once they are taken out from the charging case.
Step 2: Red and White LED would start blinking on both the earbuds. The earbuds will pair with each other within 5 secs. Once they are paired with each other, one of the earbud would show a Red and White LED blinking alternatively which means they are ready to pair.
Step 3: Now open the phone's BT settings and pair the earbuds by clicking on the BT name **"ZEB-SOUND BOMB 6"**

Activating Voice Assistant:
Once connecting the earbuds via BT, Long press the MFB buttons for 2 sec to wake up the Voice assistance of your smartphone.

Charging instruction:
Charging the Case:
Connect the Type-C cable to the charging port of the charging case and connect the other end of the cable to the DC 5V adapter.
The charging case LED's indicator will flash in White color indicating that it is charging. The White LED's will glow constantly indicating the charging case is full.

Charging the Earbuds:

Put the earbuds in the respective charging slot of the charging case. Once placed in the charging case, the earbuds will charge automatically.

The Red LED indicator in the earbuds will glow constantly indicating the earbud is charging.

When fully charged, the Red LED indicator will turn OFF. Red LED flash's on earbuds at low battery.
