Usage Instruction:
BT Pairing Instructions:

• Once the case is open the ear buds enter into BT pairing mode.

• Open the phone's BT settings and click pair upon tapping on the name **"ZEB-MONK +"**

• From now once the case is open the Flash Connect activates and the ear buds will pair automatically if the device is compatible.

Ear Buds Functions:

• Long press the touch control for 2 seconds on the left ear bud to activate the voice assistance function of your source device.

• Long press the touch control for 2 seconds on the right ear bud to enable low latency Gaming mode or Music mode.

• Tap thrice on the touch control to enable/disable ANC (Active Noise Cancellation)

• To power Off the ear buds long press the touch control on either of the ear buds for 5 seconds.

• To power On the ear buds long press the touch control on either of the ear buds for 3 seconds.

During Music Playback:

• Single tap the touch control on the Left/Right ear bud to Play or Pause the playback.

• Double tap the touch control on the Left/Right ear bud to skip to the Prev./Next audio track.

During Calls:

• Single tap the touch control on either side of the ear buds to answer or hang up the ongoing call.

• Press & hold the touch control on either of the ear buds for 2 seconds to reject incoming call.

Charging instruction:

Charging the Case:

• Plug the Type-C connector into the Type-C charging port of the ear bud's charging case and connect the other end of the cable to the DC 5V power source.

• The corresponding LED indicator will Blink on the case, while the case is charging. LED Indicator will glow constant upon full charge.

Charging the Earbuds:

The ear buds will automatically charge in the respective slots once placed in the charging case. There will be a constant LED indication on the buds as well as the case while charging and the light goes off upon full charge.
