Instructions for Use:
Button functions

1. Press the "**Mode**" button to change the input mode (BT/AUX/USB/FM) of the speaker.

2. Short press the "**Next/Prev**" button to change the Prev/ Next track or channel when in BT/USB mode or FM mode respectively.

3. Long press the "**Next/Prev**" button to increase/decrease the speaker volume.

4. Press the "**Play/Pause**" button to Play/Pause the track being played.

General Instructions
BT Mode:

Power ON the speaker, press "**Mode**" button to switch to BT Mode. Switch ON BT on your phone or tablet and search for nearby BT devices, Search for the BT name "**ZEBRONICS**" and tap to connect it.

USB Mode:

The speaker automatically switches to USB input mode with the LED display when a USB flash drive is inserted (this mode isn't selectable on the speaker or remote control unless a USB flash drive is connected).

Ensure that your USB flash drive contains MP3 audio files (other file types not supported).

FM Radio:

Switch the speaker to FM mode. In FM mode, use the Play/Pause button in the subwoofer control panel or remote to scan for the available FM channels. Once the scanning is done, the scanned channels will begin to play. The next button or previous button in the subwoofer control panel or remote can be used to change the FM channels.

AUX-IN:

The speaker can be connected to an audio device using an RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The songs from the audio source can be heard through the speaker.
