- 4. Play/Pause/Scan, Mode, 6. Previous
- 7. Treble control, 8. Next, 9. Bass control

# Description of the Subwoofer back control panel:

#### **Remote Control:**

#### **General instruction**

#### BT Mode:

Switch the speaker to BT mode, Scan for nearby BT devices in your device. Tap on ZEB-SPARK to connect.

#### **USB Mode:**

Insert the USB drive to the speaker. The speaker will detect the USB and the audio files from drive will be played automatically.

### FM radio:

Switch the speaker to FM mode. In FM mode, long press the play button to scan for the available FM channels. Once the scanning is done, the first scanned channels will begin to play. The next button or previous button can be used to change the FM channels

## **AUX-IN:**

The speaker can be connected to an audio device using an RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The songs from the audio source can be heard through the speaker
