## **General Instructions**

### **BT Mode:**

Switch the source to BT mode, scan for nearby BT devices on your device. Tap on **“ZEB- BASSO 100 5.1”** to connect.

### **USB Mode:**

Insert the USB drive to the slot provided on the subwoofer. It will detect the USB and the audio files from drive will be played automatically.

### **FM Radio:**

Switch the source to FM mode. Press the **“Play / Pause”** button in the remote or control panel to scan for the available FM channels. Once the scanning is done, the first scanned channel will begin to play. The next button or previous button in the remote can be used to change the FM channels.

### **AUX-IN:**

The device can be connected to an audio device using an RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The tracks from the audio source can be heard through the speaker.
