General Instructions

BT Mode:

Turn on the speaker, press "Mode" button to switch to BT Mode. Switch ON BT on your phone or tablet and search for nearby BT devices, Search for the BT name "**ZEB-BASSO 200 5.1**" and tap to connect it.

AUX-IN:

Switch the speaker to AUX mode. The speaker can be connected to an audio source using a RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The songs from the audio source can be heard through the speaker.

FM Radio:

- Switch the speaker to FM mode. In FM mode, use the **▶▶** button in the control panel to scan for the available FM channels. Once the FM scanning is done, the scanned channels will begin to play.
- Press **◀◀** button to switch to previous FM channel and Press the **▶▶** button to switch to next FM channel.

USB Mode:

The speaker automatically switches to USB input mode when a USB flash drive is inserted. The songs from the audio source can be heard through the speaker (this mode isn't selectable on the speaker unless a USB flash drive is connected). Press the **◀◀** button to switch to previous audio track and Press the **▶▶** button to switch to Next audio track.

AC-3 Mode:

Users can connect a dedicated 5.1 input to this speaker and use the AC-3 Input mode to experience true 5.1 surround sound, possible inputs involving DVD Player, Computer, TV, etc...

(Please ensure the input devices are compatible with 5.1 content and 5.1 RCA connector output supported).
