General Instructions

BT Mode: Switch the speaker to BT mode, Scan for nearby BT devices in your device. Tap on **ZEB-SAMBA 500** to connect.

USB Mode: Insert the USB drive to the speaker. The speaker will detect the USB and the audio files from drive will be played automatically.

FM Radio: Switch the speaker to FM mode. In FM mode, use the "SCN" button in the remote to scan for the available FM channels.

Once the scanning is done, the scanned channels will begin to play. The next button or previous button in the remote can be used to change the FM channels.

AUX-IN: The speaker can be connected to an audio device using an RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The songs from the audio source can be heard through the speaker.
