Mode Instructions:

BT Mode

Turn ON the speaker, press "**Mode**" button to switch to BT Mode. Switch ON BT on your phone or tablet and search for nearby BT devices, Search for the BT name "ZEB-SPARK 207" and tap to connect it.

USB Mode

The speaker automatically switches to **USB** input mode when a USB flash drive is inserted into the speaker. The songs from the USB audio source can be heard through the speaker (this mode isn't selectable on the speaker unless a USB flash drive is connected). Single Press The **PREV** to switch to previous audio track and Single Press the **NEXT** button to switch to next audio track.

FM Radio

Press the **Mode** button to select FM mode. Long press **Play pause** button to initiate FM Scanning process. Once the scanning process is done, the Speaker automatically plays the First channel of the FM. Press **Prev** to switch to previous FM channel and Press **Next** to switch to next FM channel.

AUX-IN

Press the **Mode** button to select **AUX** mode. The speaker can be connected to an audio source using a RCA to 3.5mm cable. Connect the RCA connector to the speaker and the 3.5 mm Aux connector to an audio source. The songs from the audio source can be heard through the speaker.
