General Instruction:
BT Mode:
Switch the speaker to BT mode, Scan for nearby BT devices in your device (Phone, Tablet, etc). Tap on "**ZEB-BT4848RUCF**" to connect.
(Press and hold the play button for 3 seconds to disconnect from existing BT connected device)

USB Mode:
Insert the USB drive to the speaker. The speaker will detect the USB and the audio files from drive will be played automatically.

FM Radio:
Switch the speaker to FM mode. In FM mode, use the "Play/Pause" button in the control panel or remote to scan for the available FM channels. Once the scanning is done, the scanned channels will begin to play. The next button or previous button can be used to change the FM channels.
(Use the provided FM antenna cable for better reception)

AUX-IN:
The speaker can be connected to any audio device using the provided RCA to 3.5mm cable. Connect the red and white RCA cable to the speaker's rear line input ports and the other end to compatible audio source. The audio from the audio source device can be heard through the speaker after changing the mode to AUX.

LED Function:
Press and hold the Input button on the control panel or the remote to activate and deactivate the LED lights on the speaker.

Headphone Output:
Connect the headphone to the 3.5mm AUX output at the back of the speaker. When the headphone is connected the Speakers will be deactivated.
