General Instructions
BT connectivity
• Press mode button to switch to BT input & the display shows "bLUE" .

• Now turn on BT on your mobile phone or other device and open BT settings then search for BT name ZEB-MYTHO PLUS tap on the name to connect.

• Upon successful BT pairing you can hear a tone from the speaker.

USB/mSD Mode
• Insert the USB/mSD card into the slot provided on the speaker

• The speaker will automatically detect the USB/mSD card and the supported MP3 audio content will be played from it.

Note: This mode isn't selectable on the speaker or remote control unless a USB/mSD flash card is connected

FM Radio
• Switch the speaker to FM mode

• Long press the Play/Pause button to scan the available FM channels.

• Once the scanning is done, the first scanned channel will start playing.

AUX-In
• Connect one end of the audio cable to the Aux input port of the speaker and other end to the input source.

• Now the audio from the source can be heard through the speaker.

Recording Function

• First plug-in a USB/mSD flash card which will act as a storage device into the slot provided on the speaker.

• Press the **REC.** button on the remote to start the recording.

• Press the **REC.** button again to stop the recording.

• Press the **REC.PLAY** button to play the recorded file.

KARAOKE AND MICROPHONE FUNCTION OPERATION INSTRUCTION

• Insert microphone into MIC1/MIC2 socket on the panel, and turn on microphone, and adjust echo and microphone volume.

• ECHO KNOB: Turn ECHO KNOB to adjust microphone ECHO volume.

• MIC.VOL KNOB: Turn MIC.VOL KNOB to adjust microphone volume.

• To avoid feedback sound and speaker drive damage do not use a microphone toward the speaker or near the speaker.

• Turn off microphone and take out microphone from MIC socket, when you do not use microphone.

TWS

• Turn on two **ZEB-MYTHO PLUS** speakers and select BT mode as input on

both speakers.

• Now press TWS button on any one of the **ZEB-MYTHO PLUS** speaker to initiate TWS pairing

• Display blink with "**bt st**" once the TWS pairing is successful between both speakers the blinking display will become constant.

• Long press the TWS button on any one the speaker to exit TWS mode.
