Instructions for Use:

Charging the Speaker

1. Connect the Type-C charging cable to the DC 5V 1A charging port of the speaker and insert the other end into a USB power adaptor.
2. Red LED glows indicating that the battery is being charged. The Red LED will turn off once it is fully charged.

BT Mode

1. Switch the Input mode to BT on your **"ZEB-DAWN 40"**.
2. Turn ON BT on your mobile phone or tablet and search for nearby BT devices.
3. Search for the BT name **"ZEB-DAWN 40"** and tap on it to pair the speaker.

USB/Micro SD Mode

Connect the USB/ micro SD card device to the respective ports of **"ZEB-DAWN 40"** and the speaker would automatically start playing from the micro SD card/USB device. If necessary you can single press the **M** button.

AUX Mode

Connect the speaker to an audio source (phone, TV, PC) using 3.5mm cable. Once connected, the speaker switches to the AUX mode and thereafter audio can be streamed via the speaker from the connected source. If necessary you can single press the **M** button.

FM Radio Mode

Switch to FM mode and long press the **"M"** button to scan for the available FM Channels. Once the Scanning is done, the first scanned channel will start playing. Use Next/Previous button to access scanned channels.

Call Function

BT should be connected with a mobile phone. During a call, single press on the “**Power**” button to answer the call or double press on the “**Power**” button to reject the call. To Redial a call, double tap on the power button to dial to the last caller.

TWS (True Wireless Stereo) function

When two speakers are in Bluetooth mode, Triple press the “**Mode**” button on one of the speaker to enter TWS mode, It will search for the nearby speakers and pairs with another speaker automatically, when two speakers connected successfully, you can control two speakers at the same time.

***Note:** Buy another **ZEB-DAWN 40** for true wireless stereo (TWS) setup.*
