General Instructions

BUTTON FUNCTIONS:

1. Turn the speaker ON/OFF using the **Power** Button.
2. Use **Volume (+)** button to increase and **Volume (-)** button to decrease the volume of the speaker.
3. Press the **Prev/Next** button to control the media.
4. Press Press **Play/Pause** button to play track or pause track being played.
5. Press **Mode** Button to switch between BT | USB | AUX mode.
6. Press **Bass | Treble** button to adjust Bass or Treble of the speakers.
7. Press the **RGB LED** button to change the modes of the RGB lighting of the speaker.

BT Mode

- Switch the speaker to BT mode
- Turn on BT on your mobile and scan for nearby BT devices.
- Tap on **"ZEB-PARTY FYRE 300"** to connect.

USB Mode

- Insert the USB Drive into the slot provided on the speaker.
- The speaker will automatically detect the

USB drive and the supported audio connect will be played from it.

Note: This mode isn't selectable on the speaker or remote control unless a USB drive and a supported audio content will be played from it.

AUX-Input

- The speaker can be connected to an audio source using a 3.5mm cable.
- Connect the one end of the cable to the AUX port on the speaker and the other end an audio source.
- The audio from the source can be played through the speaker.

TWS Function

- Turn on both **"ZEB-PARTY FYRE 300"** speakers in BT (wireless) mode. Press and hold the Play/Pause button for 2 seconds in any one of the speaker to initiate TWS pairing.
- After few seconds both speakers will get connected successfully.
- Now search for nearby BT device in your mobile phone or other source device and tap on BT name **"ZEB-PARY FYRE 300"** to connect. To exit TWS mode, press and hold the Play/Pause button for 2 seconds.

Bass & Treble Adjustment

- Press "BAS|TRE" to switch sound effect "TREBLE/BASS".
- BASS: The left light under the button is on.
- TREBLE: The right light under the button is on.
- When the corresponding sound effect light is on, press "+" / "-" to adjust the corresponding volume (range 0-10 levels).
- There will be a prompt sound when it reaches the maximum or minimum.

LED Mode control

- Hold the LED button for more than 2 seconds to turn off the light.
- Press to turn on/ and switch between LED modes.

Charging Instruction

- Using a DC 5V/2A power adapter connected with the Type-C charging cable provided.
- When charging, the LED indicator glows RED.
- When the speaker is fully charged, the RED light stops glowing.
