General Instructions:
LED mode Control
• Press and hold the **Play/LED Button** to switch to different LED Mode.

Bluetooth
Turn ON the speaker, press " 🎵 " button to switch to BT Mode. Switch ON BT on your phone or tablet and search for nearby BT devices, Search for the BT name "**ZEB Rocket 500**" and tap to connect it.

TWS Function
• Turn on two **ZEB ROCKET 500** speakers.
• Press and hold the " 🎵 " button for few seconds on any one speaker to activate TWS function.
• After Few seconds, you'll hear TWS connected notification from the speakers when they are connected successfully.
• Now, search for nearby BT device in your mobile and Tap on the BT name **ZEB ROCKET 500** to pair the speaker.
Note: Requires Two ZEBRONICS ROCKET 500 speakers for TWS feature.

AUX IN
  Switch the speaker to AUX mode. The speaker can be connected to an audio source using a 3.5mm cable. Connect the one end of the cable to the speaker and the other end to

an audio source. The songs from the audio source can be heard through the speaker.

USB mode

The speaker automatically switches to USB input mode when a USB flash drive is inserted. The songs from the audio source can be heard through the speaker (this mode isn't selectable on the speaker unless a USB flash drive is connected). Single Press The **<** to switch to previous audio track and Single Press the **>** button to switch to next audio track.

FM Radio mode

Press the " ⏯ " button can switch to **FM** mode. Long press " ⏯ " button to initiate FM scanning process. Once the scanning process is done, the Speaker automatically plays the First channel of the FM. Press **<** to switch to previous FM channel and Press **>** to switch to next FM channel.

Charging instruction

Connect the one end of the power cable to speaker and connect the other end to a rated **DC 5V** adapter. The Speaker has constant Red led indication when the speaker is charging. The Indicator turns off when the speaker is completely charged.
