Instructions for Use:

1. Short press "-" button to decrease the volume by one level. Long press to skip to previous track / channel

2. Short Press "M" to Play/Pause or initiate FM scan. Double press "M" for changing modes. Long press to power On/Off the speaker.

3. Short press "+" to increase the volume by one level. Long press to skip to the next track / channel.

Note: Short press then press and hold the "-" or "+" button to decrease or increase the volume level at an uniform pace.

Charging the Speaker
1. Connect the Type-C charging cable to the DC 5V charging port of the speaker and insert the other end into a USB power adaptor.
2. Red LED glows, indicating that the battery is being charged. The LED will turn Green once it is fully charged.

Power ON
Long press the "M" button to Power ON the speaker.

BT mode
1. Power ON the speaker.
2. Turn ON BT on your phone / tablet and search for nearby BT devices.
3. Search for the BT name **"ZEB-SARGAM"** and tap to connect it.

USB mode
Connect the USB device to the respective ports and the speaker would automatically start playing from the USB device.

Karaoke
Connect the MIC using 3.5 mm port of the speaker. Now the speaker can be used for Karaoke.

FM Radio mode

Switch to FM mode and short press the "M" button to scan for the available FM Channels.

Once the Scanning is done, the speaker will automatically play the first channel.
