Instruction for Use

Charging the Speaker:

- Connect the Type C charging cable to the DC 5V Charging port of the speaker and insert the other end into a USB power source/adaptor.

Bluetooth pairing Instructions:

- Make sure you are in BT discovery mode.
- In your source device settings, search for the BT name “ZEB-Sound Feast 110”
- Once the BT name is visible in the settings, tap on it and click pair to connect.

USB/mSD mode:

Insert the USB drive/mSD card to the speaker. The speaker will detect the USB/mSD card and the audio files from the drive /card will be played automatically.

Note: *This mode isn't selectable on the speaker unless a USB drive and a supported audio content will be played from it.*

AUX-Input

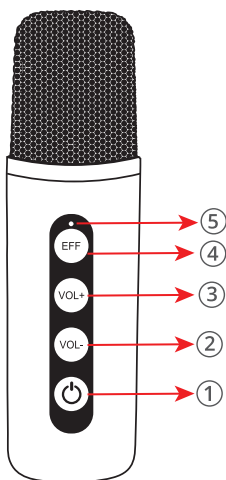

- The speaker can be connected to an audio source using a 3.5mm cable.
- Connect the one end of the cable to the AUX port on the speaker and the other end an audio source.
- The audio from the source can be played through the speaker.

Note: *Media controls can not be controlled via microphone in AUX mode.*
