## Port Description :

### **BT Mode :**

- Switch the Input mode to BT on your **"ZEB-Sound Feast 200"**
- Turn ON BT on your phone / tablet and search for nearby BT devices.
- Search for the BT name **"ZEB-Sound Feast 200"** and tap to connect it.

### **FM Mode :**

To Switch to FM mode short press the "M" button. To scan for the available FM Channels, long press the **Play/Pause** button. Long press the **Next/Prev.** button navigates between the scanned channels.

### **USB Mode :**

Connect the USB device to the respective ports and the speaker would automatically start playing from the USB device.

### **AUX Mode :**

Connect the speaker to an audio source Device using 3.5mm cable. Once connected, change the speaker to AUX mode and thereafter audio can be streamed via the speaker from the connected source.

### **Call Function :**

- Short press the Play/Pause button to accept and end the call.

- Long press the Play/Pause button to reject the call.

### **TWS Function :**

- Turn on both the speakers and make sure both speakers are in BT discovery mode.
- Long press the **Play/Pause** button on any of the speakers. After a few seconds it will indicate a voice prompt for TWS pairing.
- Now open your device's BT settings & select **ZEB-SOUND FEAST 200** to pair with it.
- To be noted that a single BT name **ZEB-SOUND FEAST 200** will be visible in the BT menu.
- Upon connecting you can experience the TWS function.

*Note: Requires two speakers for TWS feature.*

### **Charging instruction :**

Connect the charging cable to the Type-C port of the speaker and other end to the power adapter.
