Instructions for Use:

Charging the Speaker

1. Connect the USB charging cable to the Micro USB Charging port of the speaker and insert the other end into a USB Power source/adaptor.
2. Red LED glows indicating that the battery is being charged. The Red LED will turn off once it is fully charged.

Pairing your device with Bluetooth Speaker

1. Power ON the speaker until you hear the indication tone for Bluetooth mode.
2. Switch ON BT in your phone or tablet and search for nearby BT devices.
3. Search for the BT name "ZEB-VITA PLUS" and tap to connect it.

Micro SD / USB mode

Insert the Micro SD card / USB device to the respective ports of ZEB-VITA PLUS and the speaker would automatically start playing songs from the Micro SD card/USB device.

AUX mode

Connect the speaker to an audio source (Phone/Laptop) using a 3.5mm to 3.5mm AUX cable. Once connected, speaker automatically changes to AUX mode and there after audio can be streamed via the speaker from the connected source.

FM mode

Switch the speaker into FM mode. Long press the  button, to start scanning, for FM channels. Once scanning is complete, press the  /  button to change the channels.

TWS function (requires two speakers)

- a. Keep both speaker in Bluetooth mode.
- b. Press play/pause button for 2 secs on either of the speakers and a notification tone for the TWS function can be heard.
- c. Now switch ON the phone Bluetooth to search for "**ZEB-VITA PLUS**" and tap to pair it.
- d. If you would like to disconnect the two speaker, press play/pause button for 2 secs.
