## **General Instructions:-**

### **Charging Instructions:**

Connect the one end of the power cable to speaker and connect the other end to a rated DC 5V adapter. The Speaker has constant LED indication when the speaker is charging. The Indicator turns off when the speaker is completely charged.

### **BT Mode:**

Power ON the speaker, press "Mode" button to switch to BT Mode. Switch ON Bluetooth on your phone or tablet and search for nearby Bluetooth devices, Search for the Bluetooth Pairing name "**ZEB SOUND FEAST 91**" and tap to connect it

### **USB/mSD Mode:**

The speaker automatically switches to USB/mSD input mode when a USB flash drive/mSD Card is inserted. The songs from the audio source can be heard through the speaker . Short Press **The Previous / -** button to switch to previous audio track and short Press the **Next / +** button to switch to audio track.

## **AUX-IN:**

Switch the speaker to AUX mode. The speaker can be connected to an audio source using a 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The songs from the audio source can be heard through the speaker.

## **FM Radio:**

Switch the speaker to FM mode. In FM mode, use the **Play/Pause** button in the control panel to scan for the available FM channels. Once the FM scanning is done, the scanned channels will begin to play.

- Press the **Previous / -** button to switch to previous FM channel and Press the **Next / +** button to switch to next FM channel.

*Note: If FM mode reception is not good, connect a Micro USB cable for better FM reception.*

## **TWS Function:**

- Turn on two **Zebronics Sound feast 91** speakers.
- Press and hold the "MODE" button for few seconds on any one speaker to activate TWS function
- After Few seconds, you will hear TWS connected notification from the speakers when they are connected successfully.
- Now, search for nearby Bluetooth device in your mobile and Tap on the Bluetooth name

**ZEB - Sound Feast 91** to pair the speaker.

*Note: TWS only work under Bluetooth mode and  
Requires Two **Zebronics SOUND FEAST 91** speakers  
for TWS feature.*
