General Instructions

BT connectivity

- Switch the source to BT mode
- Turn on BT on your mobile and scan for nearby BT devices.
- Tap on "Zebronics Metal Pro" to connect.

USB/Micro SD Mode

- Insert the USB/Micro SD card into the slot provided on the speaker
- The speaker will automatically detect the USB/Micro SD card and the supported audio content will be played from it.

Note: This mode isn't selectable on the speaker or remote control unless a USB/mSD flash card is connected

FM Radio

- Switch the speaker to FM mode
- Long press the Play/Pause button to scan the available FM channels.
- Once the scanning is done, the first scanned channel will start playing

AUX-In

- The speaker can be connected to an audio source using a RCA to 3.5mm cable.
- Connect one end of the cable to the AUX-In port on the speaker and the other end an audio source.

• The audio from the source can be heard through the speaker.

AUX-Out

- The speaker can be connected to another speaker using a RCA to 3.5mm cable.
- Connect one end of the cable to a speaker and the other end to another speaker.
- The audio can be heard through both the speaker.

Recording Function

- First plug-in a USB/mSD flash card which will act as a storage device into the slot provided on the speaker.
- Press the REC. button on the remote to start the recording.
- Press the REC. button again to stop the recording.
- Press the REC.PLAY button to play the recorded file.
