## General Instructions

### BT connectivity

- Switch the source to BT mode
- Turn on BT on your mobile and scan for nearby BT devices.
- Tap on **“Zebronics Banjo”** to connect.

### USB/Micro SD Mode

- Insert the USB/Micro SD card into the slot provided on the speaker
- The speaker will automatically detect the USB/Micro SD card and the supported audio content will be played from it.

*Note: This mode isn't selectable on the speaker or remote control unless a USB/mSD flash card is connected*

### FM Radio

- Switch the speaker to FM mode
- Long press the Play/Pause button to scan the available FM channels.
- Once the scanning is done, the first scanned channel will start playing

### Audio IN

- The speaker can be connected to an audio source using a RCA to 3.5mm cable.
- Connect one end of the cable to the Audio IN port on the speaker and the other end an audio source.

- The audio from the source can be heard through the speaker.

### **Recording Function**

- First plug-in a USB/mSD flash card which will act as a storage device into the slot provided on the speaker.
- Press the **REC.** button on the remote to start the recording.
- Press the **REC.** button again to stop the recording.
- Press the **REC.PLAY** button to play the recorded file.

### **Charging Indication:**

**Charging Indication** : Red LED Glows

**Full Charge Indication** : Green LED Glows

**ISO 9001:2015 Certified Company**
