General Instructions

BT Mode:

Switch the source to BT mode, scan for nearby BT devices on your device. Tap on "Zebronics" to connect.

USB Mode:

Insert the USB drive to the slot provided on the sub woofer. It will detect the USB and the audio files from drive will be played automatically.

FM radio:

Switch the source to FM mode. Press the SCAN button in the remote to scan for the available FM channels.

On the Subwoofer Long press Play/Pause button to scan for the available FM channels .Once the scanning is done, the first scanned channel will begin to play. The next/previous button in the subwoofer or Play/pause button in remote can be used to change the FM channels.

AUX-IN:

The device can be connected to an audio device using an RCA to 3.5mm cable. Connect the one end of the cable to the speaker and the other end to an audio source. The songs from the audio source can be heard through the speaker.
