18. Play / Pause key
19. Volume -
20. Play recorded file
21. Mic Priority On-Off key
22. Numeric selection key (0-9)

## **General instruction**

### **Bluetooth connectivity**

Switch the speaker to BT mode, Scan for nearby BT devices in your mobile. Tap on "ZEB-BT702RUCF" to connect.

### **USB / mSD Mode**

Insert the USB/mSD card to the speaker. The speaker will detect the USB/mSD card automatically & the songs from it will be played.

## **FM Radio**

Switch the speaker to FM, In FM Mode, Long press the Play/Pause Key to scan the available FM channels. Once the scanning is done, The Speaker will start playing the first scanned channel.

## **AUX-In**

The speaker can be connected to an audio device using an RCA to 3.5m audio Cable. Connect the one end of the Cable to the speaker & connect the other end of the cable to an audio source. The songs from the audio source can be heard through the speaker.

## **Recording function**

To record a voice, first plug-in a USB/mSD card into the speaker which will act as a storage device. Press the REC. key on the remote to start/stop recording. Once the song or voice is recorded through the Mic, press the REC. PLAY key to play the recorded file.

*Note:* Speaker can record the Mic input.
