Instructions for Use:
Button functions

1. Press the "**Mode**" button to change the input mode (BT/AUX/USB/FM) of the speaker.

2. Short press the "**Next/FM tune+**" button to change the Next track or channel when in BT/USB mode or FM mode respectively.

3. Short press the "**Prev/FM tune-**" button to change the Previous track or channel when in BT/USB mode or FM mode respectively.

4. Long press the "**Scan**" button to scan all FM channels available.

General Instructions

BT Mode:

Turn ON the speaker, press "**Mode**" button to switch to BT Mode. Switch ON BT on your phone or tablet and search for nearby BT devices, Search for the BT name "**ZEB SUNSHINE PRO**" and tap to connect it.

AUX-IN:

Press the **Mode** button to select **AUX** mode. The speaker can be connected to an audio source using a RCA to 3.5mm cable. Connect the RCA connector to the speaker and the 3.5 mm Aux connector to an audio source. The songs from the audio source can be heard through the speaker.

USB Mode:

The speaker automatically switches to **USB** input mode when a USB flash drive is inserted into the speaker. The songs from the USB audio source can be heard through the speaker (this mode isn't selectable on the speaker unless a USB flash drive is connected). Single Press The **PREV** to switch to previous audio track and Single Press the **NEXT** button to switch to next audio track.

FM radio:

Press the **Mode** button to select **FM** mode. Long press **Play Pause** button to initiate FM Scanning process. Once the scanning process is done, the Speaker automatically plays the First channel of the FM. Press **Prev** to switch to previous FM channel and Press **Next** to switch to next FM channel.
